In addition to having one of the above, candidates should demonstrate

- Continued involvement in the practice of Critical Care by research, publication or Education, and
- Involvement in national and local community activities that demonstrate outstanding dedication and/or leadership in the practice and training of Critical Care Medicine.

APPLICATION PROCESS:

- Application in prescribed form should be accompanied by a statement on a plain paper by the candidate describing his credentials supporting his claim for award of fellowship (up to 300 words). This should include nature of work, training, contribution to ISCCM programs and research work.
- All applications should be accompanied by a Demand Draft for Rs.10000/- (Rupees Ten Thousand Only) in favor of '**Indian Society of Critical Care Medicine**' payable at Mumbai. The application fee is non-refundable.
- Last date of application – September 30, 2017 (Saturday). Any application received after 5 pm on September 30, 2017 (Saturday) in the ISCCM headquarters (Mumbai) will not be considered.
- All applications should be sent to ISCCM Headquarters in Mumbai to the following address by post or courier:

Indian College of Critical Care Medicine

Unit 6, First Floor,

Hind Service Industries Premises Co-operative Society,

Near Chaitya Bhoomi,

Off Veer Savarkar Marg,

Dadar, Mumbai, India 400 028

- The Credentials Committee would examine each application for award of Fellowship. Factors that will be considered by the Credentials Committee include (but are not restricted to) duration of experience in critical care, critical care teaching experience (including examiner for IDCC/IFCCM), publications in indexed journals, memberships of editorial boards for critical care journals, contribution to the ISCCM at National/Regional level, (including conference organization, public awareness programmes, socially relevant activities, participation in government programmes, etc), and the applicant's Fellowships, Awards and Honours.
- The decision of the Credential Committee would then be put to approval by the College Board.
- Candidates will be informed the decision before December 31, 2017.
- The decision of Credentials Committee and College Board would be final and appeals from applicants will not be entertained.
- Fellowship would be awarded during the College Convocation at the Annual Conference of Indian Society of Critical Care Medicine to be held in March 2018 at Varanasi.
- If the candidate is unable to attend the convocation and collect the award certificate, the same has to be personally received during one of the subsequent national conferences held in 2019 or 2020, failing which a fresh application would have to be made for the award.
