Advance USG Workshop

30th June – 1st July 2022

DIRECTORS

Dr. Deepak Govil | Dr Shrikanth Srinivasan | Dr Antoine Viellard - Baron

Day 1 : 30th June 2022

| Time | Topic |
|-----------|--|
| 1200-1400 | Industry Lunch Symposium |
| 1400-1420 | Refresher of Basic Signs |
| 1420-1450 | Consolidations and different diagnoses : diagnostic criteria; comparison with radiography and CT; main signs; clinical implications |
| 1450-1510 | Acute respiratory failure : the BLUE protocol, advantages and pitfalls |
| 1510-1540 | Monitoring alveolar recruitment : ultrasound signs, techniques; monitoring aeration; clinical implications |
| 1540-1610 | Ultrasound guided fine tuning of ventilation |
| 1630-1730 | Case Based discussion : 2 cases (30 minutes each) |
| 1730-1900 | Hands-on mannequin/volunteer |
| 1900-2100 | Industry Dinner Symposium |

Day 2 : 1st July 2022

| Time | Topic |
|-----------|--|
| 0715-0800 | Industry Meet the expert Breakfast Session |
| 0800-0820 | LV systolic function including cardiac output |
| 0820-0840 | LV diastolic dysfunction and elevated left atrial pressures |
| 0840-0900 | RV function |
| 0900-0920 | Differentiating cardiac and non-cardiac pulmonary edema |
| 0920-0940 | Protocolizing echo in hemodynamic management Preload responsiveness, heart lung interactions |
| 0940-1000 | Fixed and dynamic left ventricular outflow obstruction |
| 1000-1100 | Case Based discussion : 2 cases (30 minutes each) |
| 1100-1230 | Hands-on : mannequin/ volunteer |
| 1230-1400 | Industry Lunch Symposium |
| 1400-1420 | Pericardial effusion and tamponade |
| 1420-1440 | Valvular Dysfunction: Mitral stenosis/regurgitation, aortic stenosis / regurgitation, Tricuspid regurgitation |
| 1440-1500 | Overview of Transoesophageal echocardiography, TEE views, utility, pitfalls |
| 1500-1630 | Hands-on : Mannequin/ volunteer" |
| 1630-1700 | How to evaluate for raised ICP |
| 1700-1730 | Transcranial doppler : how to perform and interpret TCD examinations |
| 1730-1900 | Hands-on : mannequin/ volunteer" |
| 1900-2100 | Industry Dinner Symposium |
